Thursday, December 23, 2021
(Holiday Dinners and Desserts Delivered to your door)

COVID-Booster Shot Clinic
Coming Soon!!!
Information will be distributed to ALI residents

SHALOM SQUARE CIRCLE GARDEN

The Circle Garden project at Shalom Square, located in the center of our newly renovated community, was completed recently.

Early in July, Troop 794 received donations from residents and the community, and the project funding goal of $2,100.00 was reached.

Community members from Shalom Square came together for the Circle Garden project. Through it, residents were able to engage in community involvement and volunteerism to maintain the garden over time.

The Circle Garden Project team extends its gratitude to Sara Morris, a high school student, and daughter of Grace Morris, who volunteered to ensure its completion before September 1, 2021.

Community Reminders and Updates:

- Additional appliances are not allowed inside apartments or on the patios behind apartments, etc.
- In case of an emergency during the night or on the weekends, please call (443) 714-7610.
- Filters are always changed on the second Saturday and Sunday of every month at all units.
- Respect your neighbors' belongings and do not take anything that does not belong to you from the community center or any resident.
- If parking, please avoid driving over the newly painted red circle curb.
- If you would like to change your thermostat, please contact the Resident Service Coordinator at 8 am-10 am Monday-Friday at jharris.shlp@gmail.com.
- Building Link can be used to submit maintenance requests. Please contact Jessica Harris - Resident Services Coordinator if you would like access or instructions on how to submit maintenance tickets.
